Social Value in Commissioning &

25th June 2013

West Park Centre

319 Perth Rd
Dundee DD2 1NN

The Role of the Third Sector

9.30 – 4.00

This *free* event will bring together public sector commissioners and procurement officers who are seeking to maximise social value in the commissioning process and enterprising third sector organisations who are looking to deliver public services.

During the day, through facilitated discussion and group work we will:

- Identify opportunities for the public sector and the third sector to work together in the Tayside area
- Explain the Public Social Partnership model and identify local opportunities and consider options for externalising public services
- Run practical workshops which will consider social value in commissioning & procurement and the application of Community Benefit Clauses
- Give delegates the opportunity to ask questions of specialists including legal experts

The day will include an informal networking lunch.
