Part of the FTSE 250 Pennon Group, Viridor is Scotland's leading recycling, renewable energy and sustainable waste partner. Working with 96% of Scottish local authorities, public bodies and Scotland's leading businesses, Viridor operates a £100m Scottish network of advanced recycling infrastructure and is investing £500m to translate Scottish zero waste policy into practice.

Viridor is working with Glasgow City Council to design, build finance and operate a European class modern recycling and renewable energy centre to better manage the city's 200,000 tonnes of residual waste that until now would have gone to landfill. The £154m project will deliver a broad range of opportunities for small businesses and social enterprises including a commitment to support a programme of capacity building workshops.
